THE SMALL PRINT

All our food is prepared from FRESH, therefore when we are busy we would appreciate your patience during peak times.

We can trace all of our meat and poultry back to specific farms in Herefordshire and Powys. Our beef steaks are matured for longer to give exceptional flavour and texture.

We use local produce and suppliers wherever we can because we are lucky enough to have some of the best ingredients available right here on our doorstep!

If you have an allergy to any produce, please ask us. We can tell you exactly what is in it!

We hope you enjoy your meal with us !
